I propose we schedule a settlement conference before the next hearing with the judge to address this and other concerns. When are you available to confer?

Dear Sir,

As you can see by the attached court documents there is NO stay of discovery in this present lawsuit.

The undersigned shall expect to receive all discovery (that was due April 12, 2021) at the undersigned's address in Nevada City, California by close of business Wednesday, April 28th, 2021.

You are now back in New York City and complying with this Court issued discovery demand should not be that difficult.

If discovery is not received by this deadline the undersigned believes that things will become more unpleasant for you as a copy of this e-mail message will be filed with the Court.
